

Finland / Norway

Sinikka Elfving. I am a Nordic painter. I was born in the Northern part of Finland close to Arctic Circle. I live and work in Norway. I am inspired by the strong contraries of the Arctic life, the dark, long and cold Winters and the bright Sommers. Then I transform my impressions to

poetry on canvas, spiritual and expressionistic. I am fascinated by the phenomena of light that has certain magic in the Arctic Zones throughout the seasons. I also call myself an Artist for Humanity and I want to inspire people to appreciate the spiritual meaning of life and to work for Peace in the World.

My art was seen in many International Art Expos, Biennales and Museums in two continents, the United States and Europe. I exhibited at the “Jubile of the Mercy” in the Halls of the Vatican. I received 40 International Prizes: Roma Imperial, Museum of Art and Science Milano, Roma Capitolium Award, Arte Impero Prize Palermo, Oscar Award Catania, Knights of Art Prize Palermo, Golden Palm Award Monte Carlo, World Art Collection Prize Genoa, French Riviera Prize Cannes, Prizes for Peace and Human Rights Lecce. In addition I have been invited to receive the Prize Leone dei Dozi Venice in connection with Venice Biennale. Arte Milano Prize and Cote d’ Azur Prize Nice, Award Talent and Professional Madrid and Metropolitan Empire Prize New York.
