Roon & Rahn is a Danish design duo consisting of Nicki van Roon and René Hansen.

Back in 2014 the two Danish designers moved in together in an apartment in the city of Aarhus. With a focus on functionality and a keen eye for manufacturing they started designing and building thoroughly designed furniture based on the needs from their shared home.

Roon & Rahn are contemporary Scandinavian designers creating furniture for modern day life and aesthetic problem solving

Very suited as both that extra guest seat and as a small decorative side table. Constructed in wax treated oak with fumed oak legs.
