Christian Arnulf Hecher

(1959 -2009) was an international painter and teacher of art, he studied at University of Arts in Vienna, was teaching art in Vienna, also had a guest professor in Albanien/ Tirana. After his death his pictures had been presented in artfairs in Louvre, Cannes, Art Expo Rome, Art Expo New York ...

Christian Hecher had for 25 years national and international exhibitions in Vienna, Karinthia, Greece, Germany, Italy, ...

The Aquarell is one of these, which he painted, when he was teaching in Italy, doing painting courses in the beautiful landscape of Toscana. As seen on the picture his style is special and different of other aquarellists as his personality was, funny, crazy and colourful.
