

## Emöke Tompa Romania /Austria

I was born in 1982 in Transylvania (Székelyudvarhely) because I have been living in Vienna since 1989.

I have been drawing and painting since my childhood.

I was influenced by my mother. She was an artist and a great inspiration for me.

My pictures are very spiritual, being a kind of a new spiritual art.

I express my soul. It is an intuitive expression. So I don't have a specific style.

About my picture: The title is "Compassion" because I would like to live in a world with more compassion.

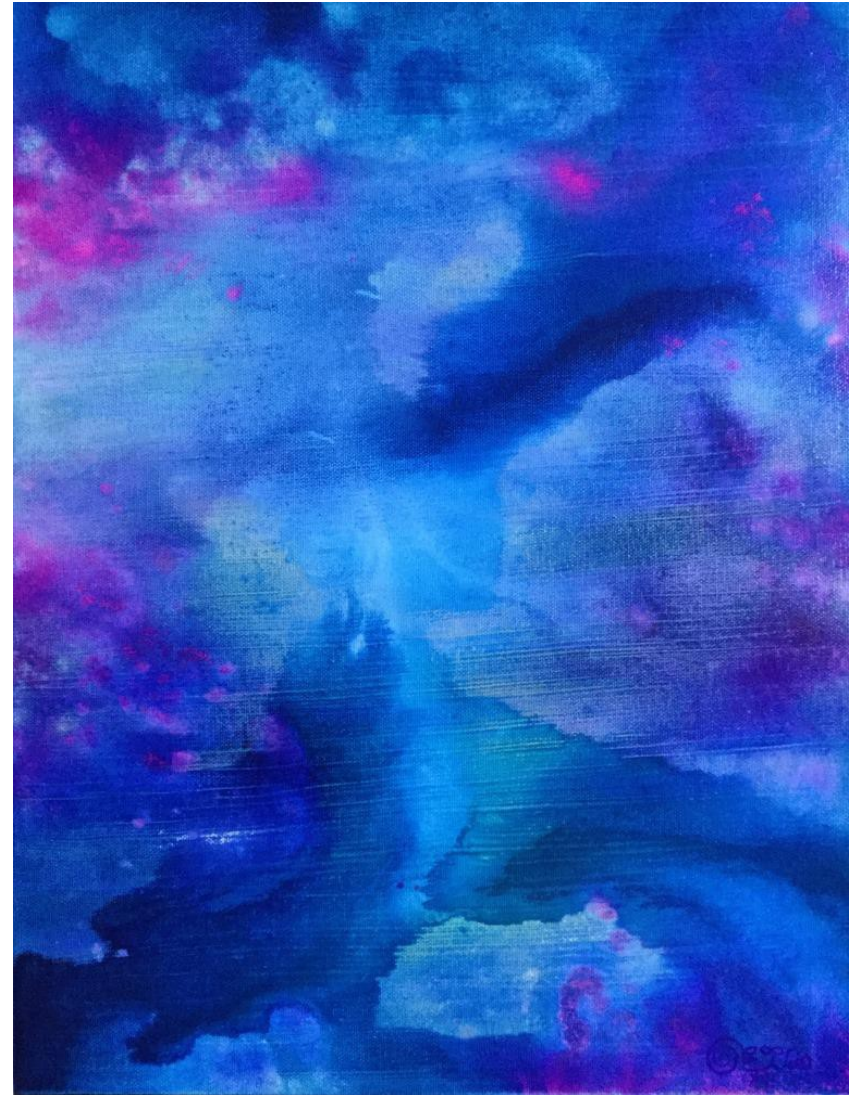

I was awarded two times.

First for being a new artist (Premio Ligure Speciale - Artista Emergente) in Lerici.

The other in Bratislava award for taking part (Contemporary Art Exposition - Art Bratislava). I am supported by Centro d'Arte e Cultura Verum and by all my friends and family members.
