

## Hungary

Izabella Némethné Kuklis.

I was born 1974 in Szeged (Hungary). Since 2011 I work and live in Vienna.

I start working as artist since 2013 and during this time I have made presentation of my pictures in Hungary and Italy.

I have won a lot of rewards for my individual creations in Australia, England, Ukraine and also in USA. Earlier at the beginning.

I have painted against the stress, but later I felt a need to paint in order to express myself. That was also excitement for me at the same time.
