

## Georgia

**Tamar Modebadze. Born in 1964.**

Her parents were teachers. Since childhood, she was fascinated by drawing. She got a degree at the Academy of Arts in Tbilisi. From that moment, she started to work as artist: for the first nine years in Cyprus, now she lives and works in Italy, Naples.

Living Abroad for any of our fellow little success means good and proud, all of us have experienced, particularly when foreigners themselves recognize this success. Today, Milan INternational Contemporary Art Ggallery- in, MAD opened contemporary art works exhibition. Was presented here as an Italian, and French, Serbian, Bulgarian artists and others. Among them were exhibited artist, Tamar Modebadze "fantasy sea", with delicate, thin oil paint technique of painting. Ms Tamara new generation artist, born opened, increased Chiatura, graduated from the State Academy of Fine Arts Faculty, Department of easel graphics, but for many years the painting was tried and that success was not late. Cyprus 9-year work of his own handwriting and more refined style with a lot of confidence. In 2014, his personal exhibition of works of Art. Famous canvases - "Pride and worship", "dimension 5", "society", "swamp." Ms. Tamara 6 months in Italy, particularly in Naples based. According to the head of the gallery's exhibition in Milan, Carlo Greco merit. As he points out, Tamara "sea fantasy" more realistic, direct contacts with the spiritual world and then added that the more pleased to be exhibited at the gallery of Tamara. Good luck on Ms. Tamara!
